EDUCATION

B-Tech, Computer Science

St.Peters H S S Kolenchery, Ernakulam
June 2021 - March 2023

- Graduated with a Bachelor of Science in Computer Science from a top-ranked university, gaining a strong foundation in programming languages such as Java, Python, and C++. Completed coursework in data structures, algorithms, and software engineering principles, achieving a solid grasp of fundamental concepts in computer science.

KEY SKILLS

- Java
- C++
- Python

ABOUT ME

Highly motivated and technically skilled B-tech Computer Science graduate with a passion for problem-solving and software development. Possessing a strong foundation in programming languages, algorithm design, and database management. Experienced in creating and implementing innovative solutions to complex technical challenges. Proven ability to work effectively both independently and as part of a team. Eager to leverage my skills and knowledge to contribute to a dynamic and innovative IT organization.

PROFESSIONAL EXPERIENCE

B-Tech | August 2024 - Present

Sree Narayana Gurukulam Collage Of Engineering, Ernakulam, Kerala

- Conducted in-depth analysis of system performance, identifying areas for improvement and implementing solutions to enhance efficiency and productivity
